

Section Two – School Operation

Chapel

CHAPEL

A Chapel Service will be held each week. Attendance at chapel is required of all students and teachers. It is at that time that the school community gathers together as a body for worship and thanksgiving. Parents and friends are always invited to attend. Students shall refer to the school dress code for appropriate Chapel attire.

The daily classroom program begins with a time of devotions, prayer, and salute to the Bible, Christian flag and American flag, followed by Bible instruction. The school day closes with prayer in the classroom.
