

Section Two – School Operation

Academics / Honor Roll Requirements

HONOR ROLL REQUIREMENTS - Grades 5-8

There are two academic honor rolls: "Honor Roll" and the "High Honor Roll". Computation is done at the end of each marking period according to the following procedures:

Students receiving High Honor Roll have obtained an overall average of 90 or above with no grades below a 90. Students receiving Honor Roll have obtained an overall average of 80 or above with no grades below an 80. ***All students obtaining academic honors for at least three out of four marking periods in a year will receive the Presidential Academic Award***

Honor Rolls are only given in grades 5-8.

The following subjects are used in the mathematical calculation of Honor Roll:

Bible
Reading/Literature
Language Arts
Social Studies
Science
Mathematics
Spanish
Spelling

Physical Education, Art, and Music are not used in the computing Honor Roll.
